Product overview

The Isla Plus is a stylish and elegant mirror capable of making a design statement in any bathroom.

The Isla Plus updates the original Isla design with diffuse illumination on either side of the mirror.

The mirror can be orientated in portrait or landscape and the battery power means it can be installed by anyone, without the help of an electrician.

Benefits

- Easy to use and install
- Front illumination
- LED technology for long life
- Easy to replace batteries

Key Features

- Rocker Switch
- Battery powered
- Suitable for retrofitting
- Can be fitted by anyone – no electrician required
- Diffused LEDs
- Suitable for landscape or portrait orientation

Technical Specification

Voltage	12V
Wattage	SE34395C0 – 3W SE34495C0 – 4.4W
Number of LEDs	SE34395C0 – 60 SE34495C0 – 84
Colour Temperature	Cool White: 6000K
Dimmable	No
Operating Temperature	5°C to 45°C
Battery Type	8 x AA

Order Codes

Description	Order Code	Barcode
