About Us

SCAN TO FIND OUT HOW WE SUPPORT
TRADERS AND THEIR CUSTOMERS

Bathrooms Built to Last. Service You Can Trust.

Founded over 20 years ago, Clifton Trade Bathrooms started with one depot in Altrincham in 2005. Today, we've grown to over 55 locations across the UK - built on a simple promise: reliable products, fair pricing, and a service you can count on.

We've spent years working with bathroom fitters, so we know what makes a difference - quality you can trust, stock that's ready when you need it, and support every step of the way.

We partner with long-standing suppliers to bring you high-performing, great-value products.

At Clifton Trade Bathrooms, we don't just supply products - we support the people behind every bathroom. Whether it's a small upgrade or a full renovation, we're here to make it easier.

Clifton Quality

High-quality products and great customer service are the cornerstones of Clifton, this is why your fitter has recommended us.

We offer confidence that our products are manufactured to the highest standards, minimising the risk of problems needing a fix after fitting. Most of our products in this brochure are stocked in depot and our experienced and friendly team are always on hand with advice. Just head down to your local Clifton depot.

A Guide To Clifton

CLIFTON GUARANTEE

Our trade customers buy from us time and time again, because our products come with market leading guarantees they can rely on.

-  Pottery, Baths, Trays and Tiles
-  Vinyl Flooring
-  Luxury Wall Panels
-  Taps & Shower Valves, Rails, Handsets, Hoses, Fixings, Washers & Wastes, Select Wall Panels
-  Furniture and Fixings
-  Enclosures, Screens, Bath Screens, Heated Towel Rails, PVC Wall Panels, Cliftonite™ Bath Panels, Mirrors, Mirror Cabinets and Accessories
-  Electric Showers, Bath Screen Seals, Bath Panels, Cistern Fixings, Toilet Seats and Lighting
-  Toilet Seat Mechanisms, Enclosure Fixings and Seals

PRODUCT GUIDE

-  **CLIFTON HUG**
At Clifton we are all about quality so you can rest assured that your bathroom fixtures and fittings are designed to last. We call this our Clifton hug.
-  Products marked with the 'Fast Truck' symbol aren't stocked in depot but can be delivered from our central warehouse within 5 working days.
-  Products marked 'Fitter Friendly' have additional design features that make installation fast and easy. This can save your fitter time and you money.
-  **CLIFTONITE™**
Cliftonite™ is extremely strong and hard wearing. This applies to all of our shower trays as standard. Choose to apply it to your bath to keep water hotter for longer.
-  **SLIPSHIELD**
Some of our shower trays have a durable, anti-slip coating to provide a safer shower experience. Look for trays marked with our SlipShield logo.

We Make Choosing Easy

With so many types of products and choices it can be difficult to know where to start.

We have put together a number of different looks that reflect current styles and product options.

These can give you an idea of colour scheme and inspire your product selection.

Simply find a look you like, get inspired by the different products available, take a few measurements and head down to your local depot.

One of the team will happily show you the products and help you pull everything together to get the look and products you want whilst making the most of your budget and the space you have.

Find your nearest depot at the back of the brochure or visit www.ctb.co.uk

* Not suitable for contemporary vanity units on pages 48-49.

Toilets

Our toilets can be matched to any of our basins or paired with furniture. They are designed to maximise comfort and flush. Many of our toilets are also rimless making them more hygienic and easier to clean.

STEP 1 - CHOOSE YOUR TOILET

All of our toilets come with a soft close seat as standard and some have a selection of seat styles to choose from.

OPEN BACKED

Open backed toilets are easier to fit as you can access the pipework from both sides.

FLUSH TO WALL

A flush to wall toilet hides the pipework meaning they look better and are easier to clean.

BACK TO WALL

Back to wall toilets offer a sleek, seamless look. The cistern is neatly concealed within the wall or inside a piece of furniture for a clean, modern finish.

WALL HANGING

Wall hung toilets bring a contemporary edge to any bathroom. Fitted to a concealed frame with the cistern hidden in the wall, they create a minimalist, floating appearance that's easy to clean around.

STEP 2 - CHOOSE YOUR SEAT

All of our toilet seats are made from high quality, antibacterial and durable material. They are all soft close with a quick release feature to make cleaning really easy. They come with chrome hinges but we have black or gold caps available to match the brassware.

Taps

Our taps are made from high quality brass with a superior chrome or coloured PVD finish that will stand the test of time. We have a selection of styles and colours to choose from. Each style has a variety of types to suit different looks and requirements. See the footnote on each page for the minimum operating pressures.

BASIN MONO

A single tap with a lever to control flow & temperature. Available in different sizes to fit your choice of basin.

BATH FILLER

One spout with individual hot and cold controls.

BATH SHOWER MIXER

Like a bath filler with a built-in shower handset. Deck mounted or freestanding.

WALL MOUNTED

Super stylish. These use a valve control which can be positioned away from the spout for ease of use.

BATHDECK

Separate controls and spout, mounted on the bath edge.

BATH FILLER OVERFLOW

A combined overflow and water outlet that's perfect for tiled in baths. The temperature and flow is controlled with a separate control valve.

Shower Areas

There are a number of different ways you can create your shower area. Pick the style you like and adapt it to fit your space. All our glass comes with an easy clean coating that prevents watermarks.

WETROOMS

A wetroom shower area has a tiled over shower tray called a 'wetdeck'. This creates a level access showering space that looks great and is easy to clean.

WALK-IN SHOWERS

Walk-in showering gives the modern style of a wetroom but provides a more practical installation solution using a shower tray.

ENCLOSURES

Shower enclosures are glass panels enclosing a shower area with a door to get in and out.

CALL IN TO YOUR LOCAL CLIFTON DEPOT AND OUR FRIENDLY TEAM WILL HELP.

Luxury Shower Trays

Our Cliftonite™ trays are extremely strong and hard wearing but are sleek and not too heavy. Some of our shower trays have a durable, anti-slip coating to provide a safer shower experience. Look for trays marked with our SlipShield logo. Trays can be supplied with or without feet and front panels.

Baths

CALL IN TO YOUR LOCAL CLIFTON DEPOT
AND OUR FRIENDLY TEAM WILL HELP.

Our baths are reinforced for strength and made from acrylic specially graded for use in bathrooms.
All our baths are supplied without tap holes (unless indicated) so you can choose where to put your taps.

FREESTANDING BATH

Super sleek. Taps are wall mounted or floorstanding.

LEDGED FREESTANDING BATH

A luxury freestanding bath with the added practicality of a slight ledge so the taps can be mounted on the bath.

SHOWERBATH

An L-shape or P-shape bath to give a larger space in the shower area.

IN-LINE SHOWERBATH

Designed with a larger showering space but with a sleek, straight edge.

DOUBLE ENDED BATH

Sloping sides at both ends with a central position for the taps.

SINGLE ENDED BATH

A traditional style bath with a straight end for the taps and a sloped end for comfort.

Cliftonite™ is incredibly strong, hard wearing and keeps your bath water hotter for longer.
Look for the Cliftonite™ icon to see which baths are available in Cliftonite™

Towel Rails & Radiators

A towel rail or radiator looks great and adds the finishing touch to your bathroom. Choose from a selection of styles and colours to co-ordinate with any look. We have different sizes with varying heat outputs so that you can pick the right one for you.

HEATED TOWEL RAILS

There is nothing better than a warmed towel on a cold morning. Towel rails are designed specifically for this reason, to hold and warm your towels. They come in a variety of styles and colours to co-ordinate with any look.

RADIATORS

Radiators are very stylish and give out more heat than a towel rail. You can accessorise them with a magnetic hook to hang a towel or robe to warm. Some also have full length mirrors.

CALL IN TO YOUR LOCAL CLIFTON DEPOT AND OUR FRIENDLY TEAM WILL HELP.

Smart Decks

Smart decks are very strong and cost effective. They can withstand up to 300kg or 47 stone so don't need under-boarding, saving money on materials and installation. Fitters love them!
